

2022 County and State Fair Pig Health Certificate Information

Please read the following information regarding pig health certificates for 2022. This copy is for you to keep with important dates and information.

- All certificates must be paid for when providing pig information. No farm call will be scheduled prior to receiving payment. Fees are as follows:
 - County Fair certificate: \$65
 - County and State Fair certificate: \$75
 - State Fair certificate: \$70
- All exhibitors requiring a rope test will need to drop off the oral sample on **Monday, July 18** during clinic hours. Payment will be due with the sample drop off. Late samples may be accepted but will have an additional shipping fee. Results are not guaranteed on time for any late samples. Sample kits are available through the clinic. Fees are as follows:
 - Rope Test: \$100
 - Rope Test Kit: \$10
- Health certificates will only be provided for County Fairs and State Fair. If you are showing at a separate show within the 30 days of the visit, an additional certificate can be provided for an additional cost.
- Farm visits will occur during weekends in July. Please indicate what shows you are exhibiting at so that all shows will be covered by the one farm visit. Farm visits for carcass exhibitors will be completed on July 16.
- All certificate requests and payment will be due by July 15. After your farm visit is completed, your certificate will be finalized and available electronically to the email you provide. Please let us know if you have not received your certificate within 48 hours of your farm visit.
- Please direct any questions to our email office@northcapecornvet.com.

Please remember, Dr. Kastenson does not provide large animal care outside of health certificates. If your pig(s) are showing signs of illness, please contact a local large animal veterinarian.
